## Well done to this week's attendance winners–

Your support for your child's education is invaluable and the benefits pupils gain from being at school every day cannot be underestimated. Thank-you!

This week we have shown our Christian value of truth.

Christians believe that truth is revealed in the Bible and supremely in the person and life of Jesus Christ. Through Jesus' teaching we are given an insight into the nature of God and the way in which He means us to live.

This week, Miss Large, Mr Clark and the Key Stage Two eco councilors visited the MEEN conference to share our plastic free journey. At the start of the process, it was essential that we were honest about our current plastic usage: if we weren't it would not have been possible for us to make improvements. Through our truthful evaluation, we were able to decide our next steps and work towards making God's world a better place.

## Nursery

Nursery enjoyed making watermelon pizzas today using lots of the fruits from 'The Very Hungry Caterpillar'. What a delicious snack!

Nursery painted lady butterflies were released into the EYFS valley. Can you spot them in the pictures? What a treat to watch them grow and be set free! We were very excited!

## Year 5

Year 5 visited The Bridgewater Hall this afternoon to play their ukuleles with the Halle Orchestra, they were fantastic!

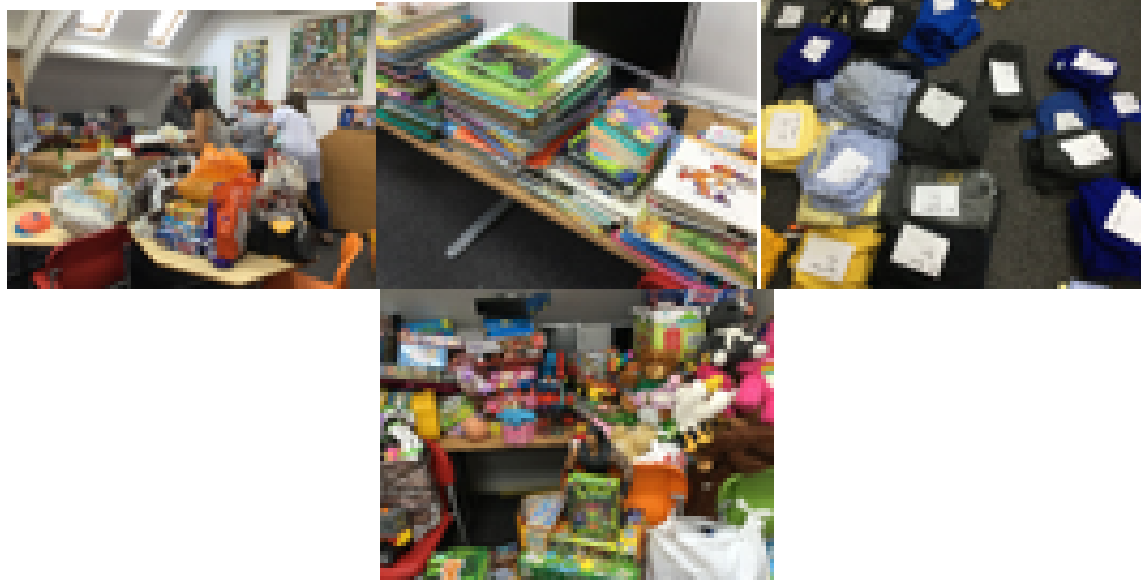

## Eco Club

Some of our Eco team have been representing school at the MEEN conference. We have shared our plastic free journey and learned what other schools have been doing.
