

Canon Burrows Friday News

Canon Burrows C of E Primary School, Oldham Road, Ashton-Under-Lyne Issue 493 Autumn 1 Term - 2021

Keep up to date with all the fantastic things going on in school on our school twitter account. Follow and tweet us: @canon_burrows

Well done to Year 5 who won last Friday's Poetry X Factor. Thank you to all year groups for their brilliant performances and to the English team for organizing another fantastic Poetry X Factor.

Please can everybody check at home to see if you still have a school Chromebook or a charger from previous school and bubble closures. Please return them to the office as soon as possible. Thank you.

The photographer will be in school for individual photographs next Monday (11th October).

This term we have decided to participate in a 'Christmas Design Project' run by Cauliflower Cards.

The project aims to encourage pupils' creativity and design skill, whilst also raising funds for our school.

Your child has been creating their own Christmas design which can be professionally printed to produce personalized Christmas cards, gift labels, wrapping paper, spiral bound books and/or mugs.

You can see examples on the website: <https://www.cauliflowercards.co.uk/christmas-project> Not only would it be very exciting for your child to see their work as a finished printed product, the cards themselves are great for sending a more personal greeting to friends and family at Christmas and the mugs are great for gifts!

For more details please see the separate letter that has been emailed out today (Friday 8th October).

Yesterday, we walked for our Miles4Smiles Harvest Appeal for the Royal Manchester Children's Hospital. There were some amazing hats on display. Don't forget to make your donations, before next Thursday (October 14th) by clicking here:

Saving Electricity Award

Mrs Thompson's Class

Attendance Award

Mr. Horne's Class

Tidy Cloakroom Award

Miss Drake's Class

Citizen of the week
Freddie, Year 3
for being caring & helpful to younger children.

This week we have shown our Christian value of **generosity**.

God's generosity is best described as 'grace', love given freely without limit or conditions. This generosity, once experienced and acknowledged by an individual can in turn release a generous spirit towards others.

Yesterday was our Harvest Miles4Smiles event. We had so much fun walking a mile wearing our funny hats to raise money for Royal Manchester Children's Hospital. We are extremely grateful for the generosity our school community has shown and as Friday News went to print, we have raised more than £1700. Our Just Giving page will remain open until Thursday 14th October so please continue to show your generosity until then. Remember that even though a donation may seem small, together we can make a big difference.

On Wednesday, Year 4 took part in their joint Harvest service, with Year 3 & 4 children from Canon Johnson, at Christ Church. They took crafts they had made to church to display, did a presentation and sang harvest songs. Thank you to all those parents/carers who were able to come along and support our children.

Flu Vaccination Reminder

The link to register for your child to have their flu vaccine will close on 14th October 2021

<https://www.nhs.uk/FLU/information?id=106249&Type=FLU>

If you have any questions or queries, please don't hesitate to get in touch on 0333 358 3397 Option 1 then Option 6.

Thank you to those children in Year 6 who have helped pick up litter in the playground this week.

Our Pop-Up Book Shop is back!

Children who read at home, ten times over the two week period before their book shop visit and log their reading on the Go Read app, will have the chance to visit the Pop-Up Book Shop and choose a book.

Here are the dates for this half term's visits:

Friday 15th October – KS2

Friday 22nd October – EYFS/KS1

We would still be very grateful for donations of good quality, good condition children's books, so we can continue to offer a tempting range of books for the children to choose from at the Pop-up Bookshop.

There are still a few places left on some of our out of school clubs - please check School Spider for availability and to book/pay for your child's place.

Please can we ask parents/carers not to change their child's Google Classroom password and to ensure that the children are not changing them either.
Thank you.

Come along to Breakfast Club. It is £4 a session and your child will get a breakfast, play games and can read books before school. If you would like a place for your child/children, the School Spider app is open now. All our children, from Nursery up to Year 6, are welcome.

This week's Walk to School figures show that of all journeys recorded, 4EC are the champions. They logged 69% of their journeys, of which 91% were active, healthy & green.

Design & Technology parents/carers - We need you!

We want to show the children at Canon Burrows that D&T has real value in the world. Our children study two units of D&T each year and cover skills such as cooking, textiles, mechanical systems involving cams & pneumatics, electricity using circuits, 3D construction, controlling items using computing and designing using computing. If you are a parents or carer who uses any of these skills, either as a job or a hobby, please can you get in touch with school as we would love to have a database of adults who could share their knowledge & skills with the children. Please email admin@canonburrows.co.uk with the subject heading FAO L Sutton DT. Thank you so much for your help and support with our Design Technology curriculum.

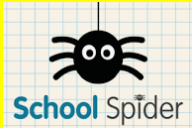

From the Office

Please could all parents/carers make sure that they are checking emails regularly and check that notifications are turned on, on their School Spider App. We are sending out lots of electronic communication at the moment and we don't want you to miss any important messages.

Emergency Contact Forms

Emergency contact forms were sent out to Years 1 to 6 last week, please could these be completed and returned to school as soon as possible.

School Spider

Please ensure that you have registered on the School Spider App to make payments, and receive letters, messages, news, updates, etc from school. The App can be downloaded on your mobile device from the Android Playstore and iPhone equivalent. Your username for logging in, is e-mailed to you when you have completed the initial registration page on the App.

Please note that your username is not your e-mail address; refer to your e-mail from School Spider for your username, and follow the steps from there to set your password.

You should then be able to successfully log in. Full instructions for registering are also in the 'School Spider' section at www.canonburrows.co.uk. Please contact the office if you are having any difficulties completing the registration process and require advice or assistance.

Alternative pick up arrangements

Please can parents/carers ensure that they let the office know if someone else is collecting their child, where possible by 2pm each day. This ensures that those who are sending children out are aware that they are going with another adult. Please can you also have a password ready, so we can ensure the identity of the person on arrival this will be recorded for future use.

Appointments during the school day.

Please can we remind parents/carers that wherever possible non-emergency appointments should be booked out of school hours to reduce disruption and lost learning time.

If your child has an essential appointment, please screenshot appointment letters & cards and e-mail them to the school office: admin@canonburrows.co.uk as this will also help reduce the number of contacts.

Children's belongings

Please can parents/carers ensure their child(ren) have everything they need at the very start of the school day in order to avoid multiple visits from parents/carers and other family members/friends to school.

School is now registered on the Morrison's Good to Grow scheme. If you shop at Morrison's, you can help school to get gardening equipment.

<https://itsgoodtogrow.co.uk/faq>

We understand that the more children know about how food is grown and made, the better they'll eat, now and in the future.

It's Good to Grow is a token collection scheme that allows schools to collect for free gardening equipment to get kids outdoors and growing. Between 6th September and 24th October 2021 for every £10 spent in store or online at Morrison's customers will automatically receive one Grow Token to donate to your chosen school.

You'll need to be a MyMorrison's customer to take part so make sure you download the app and select a school to donate your Grow Tokens to.

Finally, don't forget to scan your app or MyMorrison's card at checkout every time you shop to receive your Grow Tokens. Once you've selected a school, you'll be able to donate your Grow Tokens to them.

From 24th October, they'll be able to redeem the Grow Tokens they've collected against a range of growing and gardening equipment for school.

JUMPS is a **FREE** family programme for children aged 5-13 years, who are above a healthy weight.

JUMPS will help families learn about nutrition and give them the opportunity to take part in fun physical activity.

For further information please contact the Children's Nutrition Team on

0161 366 2351/2390 or alternatively you can email

childrensnutrition@tgh.nhs.uk

Don't miss out...

...on a school place for your child

Primary School

If your child will be 4 before 1 September 2022

- You should put your child's name down at any Tameside Primary School.
- During October the school will send you the information you will need to make your application.
- If your child attends a school nursery this will not secure them a place in Reception. You will need to make a new application for a Reception place.
- You must apply for a Primary School Reception place online through the Tameside Council website at www.tameside.gov.uk
- The online application facility will open for new Reception applications **early November 2021**.
- The closing date for Primary School applications is **15 January 2022**.
- Any application received after 15 January 2022 will be dealt with as a 'LATE' application and considered after those received on time.

High School

If your child will be 11 before 1 September 2022

- You should apply for a High School place through the local authority where you live.
- Extra district residents will receive information on how to apply from their own local authority.
- You must apply for a High School Year 7 place online through the Tameside Council website at www.tameside.gov.uk
- The online application facility will open for new Year 7 applications **early 8 September 2021**.
- The closing date for High School applications is **31 October 2021**.
- Any application received after 31 October 2021 will be dealt with as a 'LATE' application and considered after those received on time.
